ABOUT THE CORRUPTION FROM ROMANIA WHICH DESTROS BUSINESS AND LIVES

2nd of September 2020

To the European Parliament

Chairman of the Petitions Committee

Dear Mr. President,

The undersigned Olăneanu Nicolae Cristinel, Romanian citizen with the correspondence address in Intrarea Vartejului, no 3G, Voluntari, Ilfov, postal code 077190, email address olaneanu@gmail.com, I sent you on May 15, 2020 the PETITION by which I respectfully requested to ask the European Commission to issue an opinion reasoned or a decision pursuant to Article 258 TFEU, as a result of the COMPLAINT and PETITION sent on 09.01.2020 to the European Commission. THE COMPLAINT concerns systemic procedures for violating fundamental rights guaranteed by the European Commission.

I enclose the document called OPEN LETTER.

I respectfully request you to attach this document to the PETITION from 15.05.2020, mentioned above. The OPEN LETTER contains the implementation, applications and results of systemic procedures, control of justice, prosecutor's offices, police and public institutions, involvement and protection provided by people with management positions in management structures in Bucharest and Brussels. Property in Romania is insecure in the context in which organized groups steal and block investments, and the honest people living in Romania become uncompetitive. Using systemic procedures, in cases of interest, Justice and prosecutor's offices validate the theft of property.

I mention that the attached document is in Romanian, and I will send it to you in English, if you request to do so.

I will provide you with additional information about the European Commission.

I respectfully request to be heard in the Committee on Petitions of the European Parliament.

Respectfully,

Nicolae Cristinel Olăneanu
